RE: Harvest Festival Tickets

Welcome to fall and the Harvest Festival Season! This year, as in the past, your child will have the opportunity to pre-sell Harvest Festival tickets. This is a very successful and exciting fundraiser for our St. Helen Parish Community. Below is an outline of new ticket prices and student contest rules.

Tickets will be sold at \$1.00 each. Ticket prices at the Festival have risen to \$1.25 per ticket so purchasing them early will result in a savings of \$1.00 per strip. Tickets may be purchased from the school office for \$4.00 per strip beginning Monday, October 15th, until 3:30 pm on Thursday, November 15th. Payment for tickets must be sent in advance and accompanied by a Ride Ticket Order Form. Forms are available in the school office or may be downloaded through our website www.sthelenschoolvero.org. Special accommodations may be made for high volume sales. The students with the most ticket sales will be eligible for fantastic prizes. The deadline for the student sales is 12:00 pm, November 15th.

Prizes:

- \$100.00 to the top two students who sell the most tickets in the school.
- Special prizes to the top two students who have the most ticket sales in their class.
- One class prize (to be determined) to the grade that sells the most tickets.
- Any student selling a minimum of \$150.00 will automatically be entered into a raffle for additional prizes.

To improve efficiency and accountability, we will be selling tickets outside the Parish Center every school morning from 7:30 to 8:30 am beginning November 1st. If possible, we ask that parents purchase them during that time. However, students can submit their order form and payment to their homeroom teacher in the morning. Orders will be processed and sent home that afternoon with students.

Please remember that tickets are only valid for the current year they are purchased. A great selling point is to remind potential ticket purchasers that tickets bought at the Festival will cost \$1.25 each and that some rides require four tickets.

If you have any further questions, please contact the school office at 567-5457.
